STANDARD PRODUCTS

Roofs

As with our frame structures linings are modular and our standard product come in 3m bay widths. We keep stock of marquee linings for marquees with widths of 3m to 15m.

A popular choice is a pleated lining in white or mid ivory

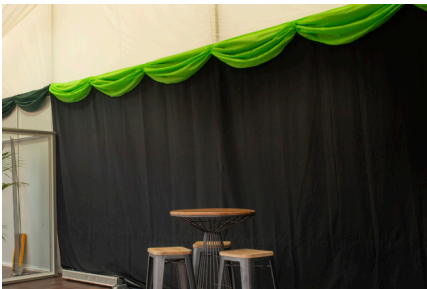

We have a range of colours detailed on the back page

We also offer a flat linings in mid ivory and white.

Black out and starlight

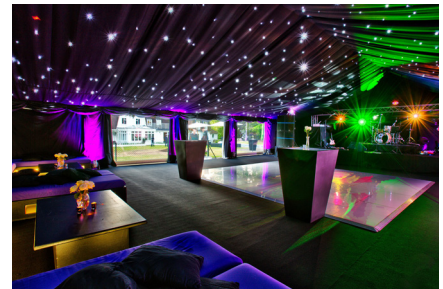

We offer a black out lining and a black and mid ivory LED starlight ceilings.

Black out linings can be use for roofs, gables hip ends and walls

Mid ivory starlight offers a softer look

Black starlight is our most popular choice

Hip and Gable Ends

A roof lining can be finished off in three different ways: gable, bell or hip end. Again all different endings can be finished in all noted tent widths.

hip ends slope down giving an angled effect

monty roof creates a centre point so the linings drape out-

gables are a straight, vertical end with a triangular top
