

Pleated Linings

Custom Covers are the UK's leading manufacturer of decorative linings with extensive experience providing linings for the marquee trade and events industry.

Flat Linings

Interior decorative linings will transform the look of any event whether sporting or party functions, day or night, marquee linings can create the effect and atmosphere you need to enhance the image of your event.

We will line anything

Custom Covers offer a complete range of decorative linings for all standard tent makers available in Europe from 3m up to 50m. We have patterns for all reputable tent frame systems and are happy to cater for traditional pole tent linings. All linings are available in pleated or flat finishes. We also offer a bespoke service and are happy to quote to make linings to fit any structure.

Linings specification

Manufactured at our Southampton base, all linings products use Custom Covers own brand Custom Quality or CQ ranges of specially developed inherently flame retardant fabric (BS 5867 part 2 type B). The CQ range of fabrics is a proven workhorse in the event trade, and if well looked after will provide excellent long term wear. The colour range includes a palette of 35 separate colours. We will happily provide a swatch on request. A full palette of colours can be found on our website at www.customcovers.co.uk/colour

Custom Covers stock a standard range of linings but will happily make any lining you need.

Standard Products

Roofs

As with our frame structures our linings are modular and our standard products comes in 3m bay widths. We keep stock of marquee linings for marquees with widths of 3m, 6m, 12m, and 15m.

Walling

Standard walling is for 3m bay widths with 2.3m eave height.

Hips, Bells and Gable ends

A roof lining can be finished off in three different ways: hip end, bell end, and gable end. Again all different endings can be finished in all noted tent widths.

Finishing Touches
