

### Can't buy them? Hire them

*For your special events do you need Ivory Pleated Linings, Ivory Flat Linings, coloured swags, window drapes, roof overlays or wall overlays? Possibly even Starlight or Blackout Linings.*

*If you don't want to buy them, Custom Covers will hire them to you.*

### Finishing Touches

Do you need coloured accessories to complement your function?

We hold a large stock of swags, window drapes, roof and wall overlays to hire.

These are available in a choice of 34 colours.

For ease of fitting each swag is 3m in length, all window drapes and wall overlays are manufactured to fit 2.3m leg height.

### Ivory Linings

**Pleated** – We have available a selection of Mid Ivory pleated linings to fit most structures up to 15m span. Hip ends, roofs and gables on a 3m bay size are available to fit 9m, 12m and 15m structures. Walls are 3m bay size by 2.3m leg height.

**Flat** – We also have a selection of Mid Ivory flat linings to fit 9m and 12m on a 3m bay and 12m, 15m and 20m on a 5m bay.

*Please call our sales team for a price list or a colour swatch to assist you in your choice.*

## Starlight Linings

We have an enormous stock of black LED Starlight Roofs, These are available in two bay widths of 3m & 5m wide:

3m bay widths are designed to fit 6m, 9m, 12m, and 15m span structures.

5m bay widths are designed to fit 12m, 15m, 20m, 25m & 30m span structures.

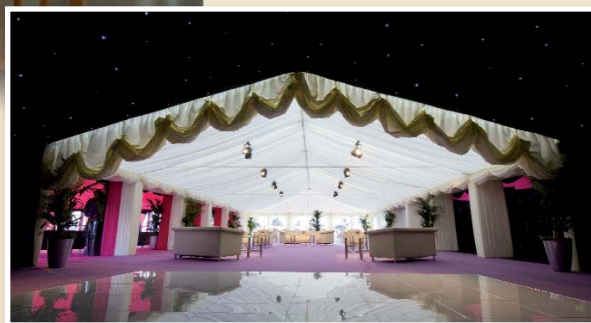

**LED Starlight's** are very versatile and durable making them immensely popular with our clients. These robust Starlight's come with a 2 channel system allowing versatility to twinkle or sequence to meet your clients expectations.

In addition to our all white bulb roofs, we have a quantity of blue / white bulb roofs to fit 9m & 12m structures on a 3m bay.

After every hire all Starlight's are cleaned, checked and returned to stock in perfect working condition.

A full fitting and removal service is available at an additional charge, please contact our sales team for further details.
